- GONDOLA
- DOUBLE CHAIR LIFT
- QUAD CHAIR LIFT
- T-BAR LIFT
- CARPET LIFT

## Beginner

The most gentle, groomed terrain for those still learning basic turns and control.

## Intermediate

For confident riders who can control speed and turn on demand in variable conditions.

## Advanced

Steeper, varied terrain only for those confident off-trail and in highly variable conditions.

## Expert

The most challenging terrain only for riders confident navigating unmarked areas with unsignposted hazards requiring complex decision making.

## Slow Zone

Areas with a high potential for congestion, slower speeds and extra awareness are required.
